HOT-ROD YOUTHS GIVEN WARNING BY JUDGE BLAINE, PROBATION OFFICER

Warnings were issued Wednesday morning by Campbell Justice of the Peace John D. Blaine and Assistant Juvenile Officer D. L. Goodwin to six youths reported to have been the reckless hot rod racers who roused Carlyn Avenue citizens to anger last week with their reckless and foolhardy racing on the street.

The youths were reprimanded at Campbell Justice Court by Judge Blaine and were warned that further such offenses would be punishable by revocation of their licenses and other legal action.

Last Monday Judge Blaine conferred with District Attorney N. J. Menard on the speeding and juvenile hot rod problems which are causing much concern in this community. He was advised by Menard that if the people of Campbell will act as witnesses and report such violations to the California Highway Patrol, the CHP will sign complaints against the violators.

After the talk with Menard, Judge Blaine contacted the CHP office which confirmed the District Attorney's report.

Goodwin, the assistant probation officer, later talked with all parties concerned in the latest affair and then asked Judge Blaine to have the youths brought to court Wednesday morning. The youths were severely reprimanded and given ample warning that any further trouble caused by them would mean certain punishment.

Residents in the west Campbell area are generally a peaceful and quiet representative group of citizens, but when they are roused to anger by such brazen disregard for welfare of the lives and property of themselves and their neighbors, as was the case in the hot rod trouble, they can become a strong and militant force in search of the troublemakers. This week a petition is being circulated in the area asking that the miscreants be properly punished. Only those who actually saw the violation are being asked to sign, as the petition reads, in part: "I have seen this group drive recklessly on Carlyn Avenue a number of times and wish to have them punished properly."

One of the petition circulators said Wednesday afternoon that the request will not be filed with law enforcement officers if the citizens believe that the situation has not been given proper attention. If not, then "we'll just have to take the petition around to the law officers until someone does something about it."

Asked if the citizens' move in Burbank to enact a curfew law for the county areas would be a suitable method of handling the situation, the speaker replied that it would if it were enforced.

Another resident said that a supervised daytime recreation program for high school age groups is needed, and that the night time recreation at Campbell High School does not fill that need.

Juvenile gang trouble flared up Tuesday night in the nearby Burbank district, and Sheriff's deputies were called in to break up the 13-and 14-year-old gangs which were disturbing passersby on the streets and invading business houses.

Sgt. John Gibbons warned that the situation must be nipped before it really becomes serious. A major crime eventually develops when the juveniles are permitted to roam the streets. State Board of Equalization officers launched investigation into source of supply of beer and liquor being used by both girls and boys. Citizens of the area began a move to establish a curfew law in county areas.

Tax Collector Speaks To Rotary On Youth Work

Roy P. Emerson, county tax collector, and youth leadership enthusiast, spoke before the Campbell Rotary Club Monday on the youth club work in the city of San Jose.

Mr. Emerson, most closely connected with a comparatively new development for boys near 5th and Jackson, revealed that the work was actively begun in San Jose several years ago by Harry Sloniker. Mr. Sloniker had come from New York, where he had been active in boys work there.

This organization is unique to San Jose in the respect that the boys in the organization completely govern themselves. Their officers are modeled after San Jose's civic government, with its own police chief, judge, mayor and other elected officers.

Along with Mr. Emerson and Mr. Sloniker, several respected businessmen in the San Jose area serve as sponsors for the organization. Funds are supplied by a few fraternal and service organizations, and private donations.

Chairman for the day was Henry Congable, local fig grower.

At next weeks' meeting, the local club will be honored by a talk from Mr. Herb Shuey, governor-elect of the 155th district, of which Campbell is a part.

GRADUATES FROM MEDICAL COURSE

Recruit James A. Ellis, son of Mrs. Eva Noonkester, 53 Harrison street, Campbell, was graduated from the medical technician procedure course just concluded at Medical Field Service school.

One of the units composing Brooke Army Medical Center at Fort Sam Houston, Texas, the Med. Field Service school trains both officers and enlisted personnel for medical service in the Army. Graduates of this course are now being assigned to important technical jobs in the Medical department where their new skills will be fully utilized.

Women's Guild Plans 3-Day Rummage Sale

The Women's Guild of the Congregation Church will hold a rummage sale at the church for three days, August 11, 12 and 13.

Campbell Rotarians To Receive Visit Of District Governor Herbert S. Shuey

The Rotary Club of Campbell will be host to Herbert S. Shuey, governor of the 15th district of Rotary International, who is making his annual official visit to each of the 43 Rotary Clubs in Central and Northern California. He will confer with President Forrest Reese, Secretary Homer Hyde and other local Rotary officers on club administration and Rotary service activities.

Mr. Shuey is vice-president of the Merrill Company in San Francisco and is a member of the Rotary Club of San Francisco. He is one of the 186 Rotary district district governors who are supervising the activities of some 7,000 Rotary Clubs which have a membership of 330,000 business and professional executives in 81 countries and geographical regions throughout the world.

Wherever Rotary clubs are located their activities are similar to those of the Rotary Club of Campbell because they are based on the same general objectives—developing better understanding and fellowship among business and professional men, promoting community betterment undertakings, raising the standards of business and professions, and fostering the advancement of good will, understanding and peace among all the peoples of the world.

Each year, this world-wide service organization continues to grow in number and in strength. During the last fiscal year, for example, 347 new Rotary Clubs were organized in 37 countries of North, South and Central America, Europe, Asia, Africa, and the Islands of the Pacific.

Editorial

Since last week's editorial in the Campbell Press regarding hot rod speeding and the lack of law enforcement generally in this area, the publishers of the Press have been deluged with letters, telephone calls and personal contact from citizens in the Campbell area who wholeheartedly agree with the sentiments expressed in the editorial.

Several very interesting conditions have come to light since the publication of the editorial. Conditions which we are sorry to say do not reflect too favorably on Campbell or on citizens of this area who are aware of these facts.

Take the case for instance of the family with the small child who this week sold their home in Campbell, that they might move into a community that enjoys the benefit of adequate law enforcement. The same family would have filed complaints against members of a young gang of hoodlums some time ago had they not been afraid of reprisal from the gang. The hoodlums had threatened that if their names were turned over to authorities they would "beat up" the child.

Then there are numerous cases of robbery of private homes throughout this area. We are sorry to say that many of these burglars are never apprehended.

It is time for the taxpayers of this community to demand better protection of county law enforcement bodies. It is their inalienable right.

It is gratifying that so many people this week have expressed a desire for community protection. It is indicative of the wholesale uneasiness that the citizens of the area feel in this lack of protection. We feel that this wave of petty lawlessness will have to be stopped before it gets entirely out of hand.

The citizens of Campbell are not sitting idly by, however. At the Wednesday evening meeting of the Campbell American Legion post it was moved that the post, if necessary, will appoint a deputy patrol from their membership for the purpose of patrolling and generally seeing that the laws under which we live are enforced.

And in the Carlyn Avenue district residents have a petition in circulation to curb excessive and dangerous speeding in their area.

Campbell, unlike an incorporated city, does not have a police force. It is necessary when an officer is needed to call the sheriff's Office or Highway patrol in San Jose. These departments are doing a fine job generally, but unfortunately for us, they must cover too much territory and as a result a small, unincorporated area like Campbell does not have the policing that it needs and deserves.

American Legion Post Takes Steps to Halt Mounting Wave of Lawlessness

Campbell American Legion Post 596 prepared to take action to halt the rising rate of juvenile delinquency in the community when it met Wednesday night in the IOOF Hall. After considerable discussion of the action, a committee of eight Legion members was named to act as a citizens' patrol of the area. The group will go into action immediately, consulting with Memory Post of San Jose, which is patroling the Beverly-Burbank area, and with the County Sheriff's office. If the situation warrants drastic action, the patrol committee will appear before the county sheriff and ask that its members be deputized.

The Legion agreed that action is necessary, but prepared to go about the matter in a legal manner through consultation with Sheriff Howard Hornbuckle. Members of the patrol committee are Rex Kaber, chairman, John W. Ziegler, Maurice Burke, James Olds, Al Carter, Leo Parks, Ed Lee and Guy Smith.

Six local candidates and one from Mountain View Post 248 were initiated in ceremonies conducted by Santa Clara Voiture of the 40 et 8. These candidates were J. A. Payne, John W. Ziegler, R. M. Bebeau, E L. Minden, Maurice Burke and Lewis Jones of Campbell, and James Stalford of Mountain View

Commander Leo Parks presided at the well-attended session and members named the following delegates to the state Legion convention to be held August 13 to 17 at Long Beach: Leo Parks, Ed Lee, Guy Smith and Rex Kaber.

The post meets the second and fourth Wednesday of each month, at 8 p.m. in the Campbell IOOF hall. There will be no meetings at the hall during August due to remodeling operations, but committees will hold separate meetings at members' homes.

WHERE THE SPIRIT OF SERVICE BEGINS

One Coast-wide school system is for telephone people only — and better service for the West is the result

1. As this young lady learns to use a training switchboard, she'll also learn many things that will be mighty important to good service. All through her training she'll see how operators make courtesy and helpfulness a normal part of their jobs. And the same spirit is present as other telephone people learn their new skills.

2. On stubby poles like these, linemen learn to use their new climbing equipment. This is just one of the more than one hundred courses that telephone people study in towns large and small—up and down the Coast. In 1948, thousands of employees received training. That means thousands of men and women better able to furnish good service to you.

3. On-the-job-training here in the West is typified by this "student" who is learning the workings of a trouble indicator frame—an automatic detective that constantly makes sure the lines on its "beat" are giving good service. Even experienced employees take refresher courses like this to keep up-to-date . . . and keep learning their way up the ladder.

4. Good service for you comes from telephone people who know their jobs. You can help them serve you best by making sure you always have the right number in mind before calling, leaving a little time between calls, giving the called person time to answer.

Business and Professional Women Discuss Plans For District Confab

Mrs. Helen Smith, Bay District membership chairman, spoke on the aims of the Business and Professional Women's Club Wednesday night at the local unit's gathering in the home of Mrs. Jack Scorsur on New Jersey Avenue. Mrs. Smith also stressed the importance of attending regular club meetings, and of getting new members for the organization.

During the meeting which followed the steak barbecue dinner, the members discussed plans for the Bay Area District convention to be held at Asilomar, September 17 and 18. Those planning to attend were asked to turn in their reservations to Alma Fanning as soon as possible. Delegates of the local BPW club will be named at the next club meeting.

Edith Anderson explained the club emblem to the new members who were also presented the official key ring. New members are Hazel Ward, Ethel Burton and Lucy Barnes.

Portfolios were presented to the following committee chairmen by club president Mrs. Frank L. Steindorf: Dorothy Ellis, education and vocations; Edith Anderson, emblem; Hanna Berglund, finance; Mrs. Nona Clark and Marilyn Kay, health and safety; Emily McConnell, international relations; Jane Parr, legislation; May Greaves, membership; Lucy Barnes, recently appointed to news service committee; Mildred Accardi, neighborly and Elizabeth Stoner, camp and hospital.

Members will gather again on August 10 for a dessert meeting at the home of Hanna Berglund, 141 N. Carlyn Avenue, at 7:30 p.m.

Jack Scorsur was prevailed upon by the women to do the barbecuing and both Mr. and Mrs. Scorsur received the thanks of the group for the pleasant evening.

Guests at the meeting were Leah Johnson, introduced by May Greaves, and Mrs. Marie Pflager of Los Angeles, introduced by Marian Hill.

MISS ELLEN WAKEMAN of San Gabriel is in Campbell visiting her cousins, the FRANK CUTTING family. Miss Wakeman is a former resident of Campbell.

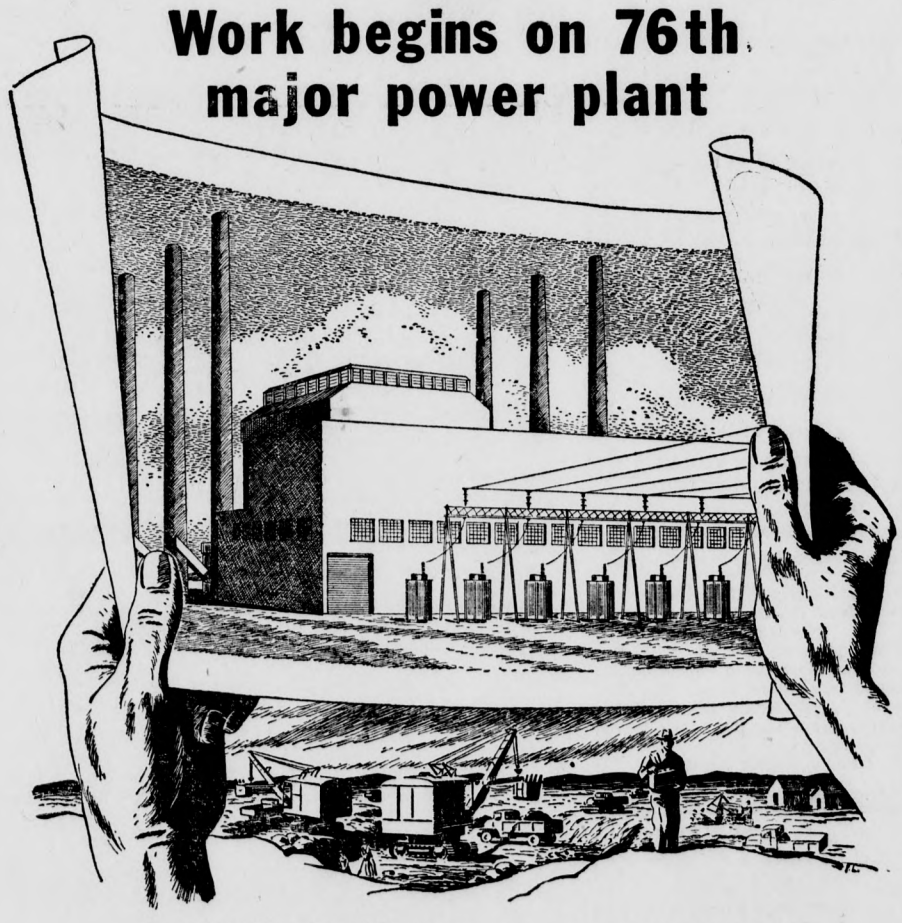
Work begins on 76th major power plant



One of the largest powerhouses ever built in California is now underway—Contra Costa Steam Plant. When completed, it will become P. G. and E.'s 76th major plant—will create 402,000 new electrical horsepower.

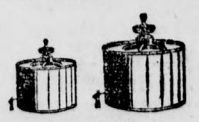
That's enough energy to supply Oakland, Stockton, Richmond, Tracy, Emeryville and South San Francisco. It will include three mammoth generators, fuel oil storage tanks, switch yards and boilers tall as eight-story buildings.

Good jobs will go to about 1,500 workmen. Wages will account for much of the project's $51,500,00 construction costs. A large share of these wages will flow to local businesses.

Schools, too, are a principal beneficiary wherever P. G. and E. builds plants because of the increased taxes the Company pays in the communities where our properties are located.

for the record

When Contra Costa plant is completed in 1951, P.G. and E. will have doubled its prewar electrical output . . .



. . . from 2,000,000 to 4,000,000 horsepower.

This is America's greatest power-building program.

Work never stops on our power-building program

The CAMPBELL Register

After reading the story in the June Sunset magazine on travel up the Rogue River, **Mr. Marc Purmort** of Campbell and four friends set out to make the scenic trip up the Oregon river. They took the mail boat at Gold Beach, the mouth of the Rogue river, and went up 20 miles, sometimes climbing the rapids and scraping the rocks. Others must have read the article for the mail boat carried its capacity load of 25 people and there were three other boats making the trip. During the eight-day trip to Oregon, the party also went sightseeing in the Trinity Alps, and spent two days at the mountain home of Mr. Purmort's cousin, Mrs. Olivia Swan, near the old stage coach town of Callahan. Mr. Purmort returned via Fort Bragg where he stopped off for a couple of days to visit.

The title of chairman of the law and regulations committee of the Reber Plan Committee for Santa Clara County has been conferred on Campbell attorney MARTIN S. WALSH. Harvey Hansen is general chairman of the committee which meets each Wednesday noon for the purpose of formulating plans for dissemination of information about the Reber Plan.

MRS. MARIE L. PFLAGER of Los Angeles has been a houseguest for the past two weeks of MISS MARIAN A. HILL of Campbell. The two will leave next week for a vacation stay at Asilomar, near Pacific Grove. After a week there they will return to Campbell and Mrs. Pflager will stop here for a short time before going back to southern California.

Mrs. ANNA SAWYER and her daughter, IRENE, spent last week in Rio Del Mar. During the week they had as their guest MRS. JOE PAXTON of Santa Barbara. Mrs. Paxton returned with them to Campbell and will be here for a few days before going back to Santa Barbara.

MR. and MRS. FRANK PICKELL of Eugene, Oregon, are currently the houseguests of MR. and MRS. FRANK CUTTING. Mrs. Cutting is the aunt of Mrs. Pickell.

Twin daughters were born Wednesday, July 27, at 11:30 a.m., to MR. and MRS. CARL B. FIELD, JR., at Palo Alto Hospital. The twins are grandchildren of MR. and MRS. CARL B. FIELD of Campbell and Mr. and Mrs. John A. Swanson of Pendroy, Montana. Sharman Sue Field weighed in at 6 pounds, 14 ounces, and her twin sister, Rachel Roberta Field, at 7 pounds, 12 ounces. They have a sister, Christie Ethel, 17 months old. The family resides at 2140 Yale Avenue, Palo Alto.

ERNEST SMITH, seaman first class, U.S.N., is spending a 15-day leave with his parents, Mr. and Mrs. Harry A. Smith of 21 Sunnyside Avenue, following a cruise with the fleet First Division which visited Alaska, the Aleutians, Japan, Einewietok, Guam and the Hawaiian Islands.

MRS. J. N. PIPKIN of Honolulu is currently visiting at the home of her parents, MR. AND MRS. REX KABER. Mr. Pipkin, a Chief Pharmacist's Mate, U.S.N., will arrive here in about three weeks and will be stationed at Mare Island. Mr. and Mrs. Pipkin expect to make their future home in Campbell.

Orchard City Grange Has Program Of Music, Reading and Group Reports

Mrs. Nellie Rutherford presided as lecturer Tuesday night at the regular meeting of Orchard City Grange in the Campbell IOOF hall. The regular lecturer, Wesley Youngclaus, was absent.

The program for the evening included two piano numbers performed by Arthur Sutton, a piano pupil of Mrs. Virginia Rutherford The numbers were "Sunshiny Morning" by Gurlitt, and "Sonatina", Sprindler. Mrs. Nellie Skillman gave a reading entitled "Mother Supreme." Her husband, Lambert Skillman, described for the Grange members the prize redwood trees on his ranch in the Santa Cruz mountains. Mr. Skillman said he believes that he has on his ranch the largest sprout to grow out of the stump of a former redwood tree. When asked if there is enough wood in that tree to build a Grange hall, he replied that there is enough to build several such halls.

MOTION PICTURES

During the program it was announced that Attorney Martin Walsh will show pictures which he took on his recent trip around the eastern United States, at the August 23 meting. The public is invited.

Marvyn Keesling reminded the Grange that the County Fair will open September 18, and now is the time to prepare fruit exhibits for the event. He added that the important point to be considered now is the use of the theme in the Grange booth which must be of Centennial color. Anyone wishing to enter fruit for the fair may take it to either the Keesling ranch or the Security Warehouse.

The Home Economics committee of the Grange will hold its annual rummage sale July 29 and 30 in the local IOOF hall. Mrs. Mae Walsh asked that those who contribute articles for the sale place prices on the donations before turning them in at the hall. The ladies will have a potluck meal in the banquet hall and the husbands are invited.

Pomona Home Economics committee will be entertained by the Orchard City Home Economics committee on August 31 in the IOOF banquet hall.

CALENDAR

Other important Grange dates for the coming weeks are August 6, when Pomona Grange meets at the Cupertino Grange in Cupertina IOOF hall. Potluck supper will be served at 6 p.m. California State Fair will open September 8. Bus transportation reservations to the fair may be placed up to August 6. The State Grange and National Grange conventions will be held in Sacramento this year. The State session will begin November 14 and the National confab on November 16.

A report on the executive committee of the California State Grange was presented during the evening by Harry Barnes, who said the organization agreed that the California Physician's Service is to be protected against loss. In the past year, he reported, the insurance group operated at a loss of $250,000. In view of the loss, the administrative costs will be reduced from 20 percent to 15.7

Letter to the Editor

Opinions expressed in letters to this department do not necessarily reflect the editorial policy of the Campbell Press.—Ed.

Dear Sirs:

Some of Campbell residents may recall a few weeks ago of a little girls of grammar school age who was nearly struck by one of the noontime hot rods. Her sad experience left her in a badly shaken and nervous condition. It could have been even a more horrible experience had the young driver of the car hit the child.

Is it going to take a fatal accident to get a little law enforcement?

What can the people of Campbell do to protect their children?

Day after day license numbers were turned in to the State Highway Patrol office. The drivers of these cars were recklessly speeding on Campbell Avenue, making U-turns in the middle of the block and driving on the wrong side of the street. One car turned the corner so sharply gasoline spilled from the gas tank.

All of this was during school lunch hour, and for the benefit of the young girls out for their noontime strolls.

Do these young boys have insurance to cover an accident they may cause? If not, why are they permitted to drive cars at all?

Do their parents know their sons are using their cars in this manner?

Maybe it would help if the residents of our growing town would take the time to write down the license number of any speeding or reckless driver and have it published in the Campbell Press each week.

Maybe someone else has an idea how to tame the so-called gas-happy, breeze-brained hot-rodders.

Dear Sirs:

We are still carrying on, but slowly, with our recreation center for our Pioneer Club.

We have had some material promised—but not enough. We would like to get our small hall up and roofed before the rainy season

So many people have expressed pleasure and approval that I am inclined to say "Come on, put your shoulder to the wheel and push a bit."

If you have no material to give—remember that a dollar will help. On the other hand, if some organization would like to make it their project, I will gladly place it in their lap and step aside.

We are getting nicely organized with building committee, law and order committees and other officers, so it will be a pleasant job to just go ahead with this splendid worthwhile movement.

Several businessmen have asked if they would be welcome to play horseshoes there. The answer is "Yes", any citizen is welcome, and so put your name on the roster and boost. Several businessmen have already signed.

When our hall is finished we will be asking for magazines.

There was a meeting on Monday afternoon of the club and there will be a more important one on Wednesday at 2:30 p.m. at the home of Mrs. Clara Baldwin, 41 N. Central Avenue, temporary secretary-treasurer.

Taxi Hits Marker

Everett O. Reece, 45, Mission Taxi driver, was arrested on drunken driving charges Wednesday after his cab crashed into a road marker on Campbell Avenue and Winchester Road. His passenger, Blanche Aresto, 45, of 200 S. Winchester Road, Campbell, received minor injuries.

Campbell Taxi company driver Kenneth Richards came to the rescue of the passenger, a member of the nursing staff at O'Connor hospital, and drove her to her home.

Reece, operator of the crashed taxi, pleaded guilty later to the drunk driving charges and received a 75-day jail sentence by Police Judge Percy O'Connor.

EDGAR T. PENN SUICIDES OVER ILL HEALTH

Edgar T. Penn, 73, grandfather of Gareth Penn of Campbell, died at his San Jose home, 505 S. 10th street, Wednesday of what coroner's office officials said was a self-inflicted revolver shot.

Penn, a laborer, left a suicide note giving despondency over ill health as the motive for his action. He was scheduled to go to Palo Alto yesterday to receive medical treatment.

Mrs. Grace Penn, wife of the deceased, reported she heard a shot at 5:15 a.m. She looked into her husband's room and saw the gun and the wound in Penn's head, she said. Mrs. Penn summoned her sister, Mrs. Beulah Sullivan, who called the family doctor. The physician pronounced him dead.

Relatives told officers that Penn had spoken frequently of suicide, "if he could summon the courage to take his life."

A native of Kentucky, Mr. Penn had made his home in San Jose for 25 years. He is survived by his wife, Grace; son, Hugh Penn of San Francisco, and grandson, Gareth Penn of Campbell.

Funeral services will be conducted tomorrow at 3 p.m. from the Rutherford Funeral Home, Campbell. Remains will be forwarded to Salt Lake City, Utah, for interment.

Stock Car Race Slated Saturday At Speedway

Double-barreled action returns to the San Jose Speedway this weekend as the Tully Road plant inaugurates Stock Car racing on Saturday night in addition to its regular Hot Rod program on Friday night.

The stock car races will begin at 8:15. The hot rod time trials are at 7 with races starting at 8:15. The stock car events will include heat races, final heats, a semi-main and a main event.

The Speedway management claims that the stock races will be the first of their kind in California with post-war cars. Hardtop models from 1936 to 1950 will be elegible to enter. Except for a few minor safety precautions, the cars will be very similar to those seen every day on the highway.

Campbell Scouts Attend Camp In High Sierra

The fifth and final week of the High Sierra camp being conducted near Cold Springs in Tuolomne County for the Boy Scouts of the Santa Clara County Council started Sunday July 24 with 47 Scouts and 5 leaders attending. Reports received from the Scouts in camp during the past four weeks, the Council's first High Sierra camp, was an outstanding success.

A record attendance of 210 different Boy Scouts and 20 leaders pioneered the first year's camping in the High Sierras. Council Camp Committee Chairman Robert C. Kirkwood declared the 100 acre site being used for the camp an ideal location and plans are now under way to make this the permanent High Sierra camp of the Council. Hiking into the back country, fishing, Scoutcraft, good swimming, plenty of good wholesome food, and the opportunity to do outdoor Scouting were available to the Scouts in camp.

Camp supervision by the Executive Staff of the Council was made possible by local support to the Community Chest program of which the Council is a Red Feather agency.

Scouts from Troop 36, attending the final session and their leaders, are Neol Phillips, LeRoy Anderson and Ned Gault.

In the mathematics of highway safety, one intoxicated driver plus an automobile equals danger. Don't drive if you've been drinking urges the California State Automobile Association, even though you think your judgment and skill are unimpaired.

IT CAN'T BE DONE

You can't stop your automobile on a dime, or a dollar, but the mistaken belief that it can be done has cost many dollars and lives, says the California State Automobile Association. Keep alert, and give yourself plenty of time and distance in which to apply the brakes.
